function room & deck

THE DECK

A semi-private outdoor space ideal for smaller functions and relaxed gatherings. The Deck offers a laid-back setting with fresh air and a social feel, making it a great option for intimate celebrations, casual catch-ups and low-key group events.

FUNCTION ROOM

Our main function space offers a private, flexible setting ideal for celebrations, presentations and corporate events. Featuring a projector and in-house audio system, it's designed to make hosting seamless, with everything you need in one dedicated space.

COMBINED

For larger gatherings that need extra space and a more dynamic setting, the Function Room and Deck can be combined to create an extended indoor-outdoor event space. By opening the two areas together, the room flows seamlessly from the private indoor function space onto the Deck, allowing guests to move freely between the two environments.

Together, the combined space is ideal for larger celebrations, corporate functions and social events. It allows hosts to run formalities indoors while giving guests room to spread out, mingle and enjoy a natural indoor-outdoor flow throughout the event.
